

Charro Style Bean Seasoning  Mild Hot

The rich tradition of Mexican cowboys is explored in an exciting original. Like the slow-simmering frijole pots that once spotted the Mexican countryside, this adventurous seasoning laces beans with smoky bacon, onion, bell peppers and tomato. Mixed with whole or refried pinto beans and served hot or cold, Foothill Farms™ Charro Style Bean Seasoning sizzles and sweetens things up with a subtle chile pepper kick and natural brown sugar. Giddy up.
