Mike Copeland, 724-9943

Brent Dunn, 724-9116

## Iron Chefs create fresh culinary treats

### from our staff

Janie Norrick's second grade classroom at High Pointe Elementary had a room full of "Iron Chefs" Oct. 5. Their secret ingredient—strawberries!

Norrick's class won the services of a gourmet chef because her class raised the most money during the school's Move-a-thon fundraiser. Chef Rob Corliss taught the students how to transform the secret ingredient into fun healthy snacks.
