

BIG Cheddar Dippers

Servings: 4

Serving Size: 1/2 a quesadilla

Creamy **WisPride Sharp Cheddar** and sliced wedges of tart Granny Smith apples make a warm quesadilla. It's the "go-to" party recipe every host needs—and every guest craves.

Ingredients:

- 6 tablespoons WisPride Sharp Cheddar
- 2 each whole-wheat tortillas, 8-inch
- 10 each green apples slices, thin (slice the store bought pre-sliced bagged apple slices in half)
- 10 each red apple slices, thin (slice the store bought pre-sliced bagged apple slices in half)
- Pan spray, as needed
- 1/4 cup – honey mustard sauce, prepared

Preparation:

Warm the tortillas in microwave for 10 second. Smear the entire tortilla with 3 tablespoons of WisPride Sharp Cheddar and then top 1/2 of it with overlapping apple slices (red & green alternating), folding the other half over to make a half-circle. Griddle to a crispy golden and slice into wedges. Arrange wedges on a platter with a side of honey mustard for dipping. Serve as an entrée or as party food, sit back and watch the satisfied smiles.
